MANAGEMENT

Bethany College of Nursing is established and owned by the Bethany Navajeevan Province of Bethany Ashram (Order of the Imitation of Christ), It is managed and run by Bethany Seva Sangam, (Reg. No.-1395), a charitable society formed with a view to liberate the underprivileged through education and other means.

OUR INSPIRATION

BCN draws its inspiration from Servant of God Archbishop Mar Ivanios OIC, who believed that a good and moral social order can be established only by education founded on solid spiritual formation.

ACADEMIC STATUS

BCN is a minority institution, and has been established with the approval of C.G. Govt. and recognition of the Indian Nursing Council, New Delhi; C.G. Nursing Council, Raipur and Pandit Deendayal Upadhyay Memorial Health Sciences and Ayush University of Chhattisgarh.

INFRASTRUCTURE

BCN provides well equipped infrastructure facilities in accordance with the INC norms, enabling the students to develop their knowledge and skill. The academic block is replete with modern classrooms, sophisticated and well furnished medical and computer labs, well structured library with internet access, etc. BCN is utmost proud of its newly constructed elegant hostel building which boasts of homely atmosphere and facilities for the students.

CLINICAL PRACTICE

BCN boasts of its link with several national hospitals and beyond where our students could be trained. Our students are regularly sent to Govt Hospital Durg, CIIMHANS Hospital and other reputed hospital for clinical training and for internship to Fortis Memorial Research Institute, Gurgaon & Father Muller's Medical College & hospital, Mangalore.

FACULTY AND FORMATION

As a top ranked Nursing College of the state, BCN has excellent and experienced faculty which aims at the holistic formation of the students. National and State level workshops, personality development camps, social welfare programmes, counselling sessions, retreats, arts, sports and cultural fests, national educational trips etc. transform the student into a professional.
